Gentlemen:

I just received a bill from you for services rendered to a member of the ballclub last summer.

I am very sorry this bill has not been taken care of. The injured man, Mr Raleigh Mackey, should have reported to you at the time, the name of our insurance carrier. It is The Maryland Casualty Co. Raymond Commerce Bldg. Newark N.J.

I have just sent the bill to them, att. of Mr Creighton. If you do not receive the check within a reasonable time, please let me know.

Again please accept my sincere apology. We appreciated the services rendered.

Very Truly Yours
